

Inspired in design, comfort and simplicity, LIVING home lifts offer a range of extraordinary possibilities. We combine creativity, technical know-how and professional commitment to ensure an exceptional construction and life-long durability. The highest standards of quality and safety are assured.

LIVING CUSTOM 7000, the utmost in home lifts, is designed to fulfil your every desire. Blend the lift tastefully into the background or bring your home to life with options such as glass walls, a range of colours and floorings, and details in stainless steel. Travel comfortably and in style from one room to another. With a rise up to 13 meters, LIVING CUSTOM 7000 overcomes every possible obstacle from a few steps to several floors.
